

# GFWC GA North West District Fall Meeting

The GFWC GA North West District held their 2018-2020 inaugural meeting at the LaFayette Golf Course on October 27, 2018. Women from 15 clubs came together as friends, sisters and mentors. We shared our ideas and experiences. We both gave and received support from each other and we all grew in the knowledge of how we can make our clubs, our communities and our federation stronger. In an increasingly impersonal world the opportunity to belong to this amazing group of women provides one of the most basic human needs for all of us---the need for friendship and fellowship. State President Tina Daniel and Director of Junior Clubs, Becky Bolden brought us greetings entertained us. With their wonderful millionaire contest.

## WE COLLECTED

Dr. Seuss Books  
To support the Seven Grand Initiatives and
