I am sure you all remember learning about the Underground Railroad in school. Harriet Tubman created a network of secret routes and safe houses established in the United States during the early to mid-19th century. They were used by African American slaves to escape into free states and Canada with the aid of abolitionists and allies who were sympathetic to their cause. The original Underground Railroad was a group that acted and infiltrated.

WE ARE NOT A GOVERNMENT AGENCY.

We are a non-profit 501(c)3 organization that relies one hundred percent on donations to save children.

**AND, WE DO IT BECAUSE
NO CHILD SHOULD BE A SEX SLAVE.**

There is another organization called **“Operation Underground Railroad.”** O.U.R. was founded in 2013 and has gathered the world's experts in extraction operations and in anti-child trafficking efforts to bring an end to child slavery. O.U.R.'s Ops Team consists of former CIA, past and current law enforcement, and highly skilled operatives that lead coordinated identification and extraction efforts. These operations are always in conjunction with law enforcement throughout the world. Once victims are rescued, a comprehensive process involving justice for the perpetrators and recovery and rehabilitation for the survivors begins

THE UNDERGROUND RAILROAD CREATED A PATH TO FREEDOM AND WE ARE INSPIRED TO DO THE SAME.

Sex trafficking is a vast web of traffickers and victims. To be able to understand this growing tragedy of sex trafficking, and to help the victims who are caught up in this crime, we need to understand how trafficking works. O.U.R offers a free training session on identifying the signs of sex trafficking. It contains a series of videos and questions and takes about 45 minutes to sign up to get certified. If you are interested in getting certified, please go to: ourrescue.org/training
