## Requests for information

### Memorials

At the end of each year, we honor the special club women who have passed on before us at our Spring District Meeting. If you would like to honor a member that has passed away in 2021, please be sure to send Cindy Tisdale, our Memorials Chairman the club member's name, a brief bio, and a photo if you have one. Please send it to [cinjack@comcast.net](mailto:cinjack@comcast.net) or call 404-229-5191 **no later than February 20.**

### Request to Share from Kathy Hanna, Environment CSP

Ladies, as the District Environment Chairman I would like you to share with your friends in all the clubs in our District. I would like to compile what projects you might be doing for the animal shelters in your area, I will then assemble the information and get it to all of you at the District Board Meeting on Feb. 19. As an example: Dunwoody WC supports the efforts of 4 shelters with a donation of club funds; a collection of plastic pill bottles with no labels (Veterinarians use them for owners to take medications home with their pets), collections of blankets, newspaper, food, toys and everything any dog or cat would need. A three-member team collects items at our general meetings and make alternating deliveries. We hosted a speaker on Zoom from Hero Dog Rescue, which is a 79 member group of ladies who foster animals in their homes and investigate those wishing to adopt."

Please send ideas to [Kak1941@aol.com](mailto:Kak1941@aol.com) by **Jan. 29th**. I have always felt the sharing of ideas is what

a district does well and can be the impedes for great projects.

## Educational Opportunity with Leadership Labs

Ladies, our State President wanted me to pass the below information to our club members. The organization below provides educational leadership labs to nonprofits. Please know that some of the seminars offered are free, but because we are no members of this organization fees may apply to others.

"Dear District Presidents,

Mary Beth Jacobson, CPR Chairman, has shared the below information, which I believe could be valuable to club women. I ask that you forward this email to your Club Presidents as soon as possible to allow quick registration for the upcoming webinars offered during January 2022.
